

## **Hot Air Balloon Adventure with 2-Night Hotel Stay for (2)**

Suggested Retail Value: \$1,482

**Soaring Adventures of America** - Enjoy a hot air balloon ride for (2) at more than 150 locations in the United States. Valid one year from date of purchase, subject to availability.

First, the passengers will meet the pilot and ground crew who will take them to the launch site where the beautiful balloon is being inflated. Then the ground crew will unpack the equipment and invite the passengers to participate in the inflation process. After launching, the balloon will gently ascend and float between 500 and 1,000 feet. They will travel above the treetops and below the clouds for about an hour, covering 5 or 10 miles--wherever the wind takes them! On landing the pilot and passengers will celebrate with a champagne toast, an old European tradition (soft drinks also available). The whole experience takes about three hours...three fantastic hours.

The ride can be taken at any one of Soaring Adventures of America's 150 certified ballooning locations coast-to-coast.

**Note:** Hot air ballooning is subject to weather conditions. If your scheduled flight is cancelled, every effort will be made to reschedule you while on your trip, but there are no promises made or implied that space will be available to allow for rescheduled flights during your vacation. You can, of course, use the certificate at any of the 150 locations at another time if your flight is cancelled and unable to be rescheduled.
